

MYSORE LEGISLATIVE ASSEMBLY

TENTH DAY

Thursday, 12th March 1959.

The House met in the Assembly Hall, Vidhana Soudha, Bangalore, at Thirty Minutes past Eight of the Clock.

MR. SPEAKER (SRI S. R. KANTHI, B.A., LL.B.) in the Chair.

STARRED QUESTIONS

(to which oral answers were given)

Industrial Estates in the State.

*Q.—21. Sri A. R. KARISIDDAPPA (Arsikere).—

Will the Government be pleased to state:—

(a) the number and places where they have started industrial estates in the State;

(b) the number of industrial estates proposed to be started under the Second Plan period?

A.—Smt. L E E L A V A T H I VENKATESH MAGADI (Deputy Minister for Rural Industries).—

(a) No Industrial Estates have been started yet, but Government have sanctioned the construction of Industrial Estates at the following eight places during the II Five-Year Plan period:—

1 Bangalore	5 Harihar
2 Mysore	6 Hubli
3 Gulbarga	7 Belgaum
4 Ramanagaram	8 Mangalore.

(b) Please see reply to Clause (a). In addition to the above, the question of starting another Industrial Estate at Dandeli is also under examination.

Sri A. R. KARISIDDAPPA.—With reference to answer (a), may I know when these Estates were sanctioned and why the construction has not begun?

ಶ್ರೀಮತಿ ಲೀಲಾವತಿ ವೆಂಕಟೇಶ್ ಮಾಗಡಿ.— 1956-57ರಲ್ಲಿ ಯಾವ ಕೆಲಸವೂ ಪ್ರಾರಂಭವಾಗಿಲ್ಲ. ಮೈಸೂರಿನದೊಂದೇ ಪ್ರಾರಂಭವಾಗಿತ್ತು. 1957-58ರಲ್ಲಿ ಪ್ರಾರಂಭವಾದಿದ್ದೇವೆ. ನಾಲ್ಕು ಇಂದಿತ್ರಿ

ಯರ ಎಸ್ಟೇಟ್ಸ್ ಕನ್ಸ್ಟ್ರಕ್ಷನ್‌ನಲ್ಲವೆ. ಮೂರು ರ್ಯಾಂಡ್ ಅಕ್ವಿರಿಷನ್ನಿನಿಂದ ತಡೆವಾಗಿದೆ.

Sri S. D. KOTHAVALA.—Are the any requests from other quarters for the starting of Industrial Estates?

Smt. LEELAVATHI VENKATESH MAGADI.—Yes.

Sri S. D. KOTHAVALA.—From where requests have come?

Smt. LEELAVATHI VENKATESH MAGADI.—From Dandeli Industrial Estate.

Sri A. R. KARISIDDAPPA.—May I know the main objects of these Industrial Estates?

Smt. LEELAVATHI VENKATESH MAGADI.—To relieve congestion in industrial areas, to stimulate growth of small-scale industries and to start small townships in industrial units and to provide facilities to start industries and various other things.

Sri M. RAMAPPA.—Why have the Government preferred Harihar to Davangere in starting industrial estate?

Sri MALI MARIAPPA.—As the Hon'ble Member knows, it is an industrial area and it has been taken first.

Sri M. RAMAPPA.—Will Davangere also be taken into consideration?

Sri MALI MARIAPPA.—That will be taken into consideration in the Third Five-Year Plan.

Sri A. R. PANCHAGAVI.—How many rural areas have been taken into consideration?

Sri MALI MARIAPPA.—Ramanagaram is a rural industrial area.

Sri B. VAIKUNTA BALIGA.—With reference to Industrial Estate at Mangalore, may I know whether any precise schemes have been prepared for starting industries at all?

ಶ್ರೀಮತಿ ಲೀಲಾವತಿ ವೆಂಕಟೇಶ್ ಮಾಗಡಿ.—ಬೆಂಗಳೂರು ಆದಮೇಲೆ ಯಾವ ಕೈಗಾರಿಕೆಗೆ ಮಾನ್ಯತೆ ಬರುತ್ತದೋ ಅದನ್ನು ಪ್ರಾರಂಭ ಮಾಡುತ್ತೇವೆ.

Sri B. VAIKUNTA BALIGA.—My question was as to whether any particular kind of industry would be started and whether any precise ideas had been formulated for starting industries.

Sri MALI MARIAPPA.—The objectives are very clear.

Sri B. VAIKUNTA BALIGA.—I am asking with regard to the Mangalore Industrial Estate, whether any definite schemes are formulated for starting industries or whether they are still in the process of groping in the dark?

Sri MALI MARIAPPA.—It all depends upon the local initiative also. Since the Estate is not complete, after the industrialists come forward, precise decision will be taken.

Sri B. VAIKUNTA BALIGA.—Will the Government take the initiative of asking or inviting the public for this purpose, since the public are not aware at what stage it is?

Sri MALI MARIAPPA.—When the Industrial Estate is complete, the Government will consult the industrialists and then come to certain decisions.

Sri B. VAIKUNTA BALIGA.—There is a policy in the answer. When the industrial Estate is complete, its components will be known. My point is whether sufficient attention is bestowed to know the components?

Sri MALI MARIAPPA.—So far as Mangalore Estate is concerned, land has not yet been acquired. So, there is no immediate necessity to come to decision about that.

Sri J. B. MALLARADHYA.—Will the Government now give wide publicity to the intended starting of these industrial estates and call for applications from prospective industrialists to see which of the industries they are prepared to start?

Smt. LEELAVATHI VENKATESH MAGADI.—The Government have taken all steps to call for applications and give publicity.

Sri J. B. MALLARADHYA.—How many applications are called for in respect of 8 Estates? That is in conflict with what the Minister for Co-operation said.

Sri MALI MARIAPPA.—It is not contradictory as my learned friend thinks. In Mangalore, land itself is not acquired and so there is no question of applications.

Sri J. B. MALLARADHYA.—My question is not in regard to Mangalore, but in respect of 8 Estates. How many applications have been called for and what are the type of industries proposed to be started? If the Government have not done it, will they call for the applications?

Sri MALI MARIAPPA.—I have made it clear. This year it is only Mysore Estate that is complete. The rest are in various stages of completion. So, as they are completed, we will call for applications and consult industrialists and make further progress.

Sri A. S. PATIL.—What is the amount of money sanctioned for each of these estates?

Sri MALI MARIAPPA.—The total amount during the plan period is Rs. 63.8 lakhs and for 1958-59, we hope to spend Rs. 32 lakhs. I have not got readily the break-up figures.

Sri Y. MANJAYA SHETTY.—The Minister was pleased to say that in Mangalore the lands were not acquired. What steps have Government taken to exploit the position?

Smt. LEELAVATHI VENKATESH MAGADI.—In Gulbarga and Mangalore lands have already been acquired. Construction is held up for want of contractors. Again we have extended the period for contractors to give tenders. As soon as we get tenders, we will finalise it.

ಶ್ರೀ ಜಿ. ಎಸ್. ಪುಟ್ಟಣ್ಣ.—ಒಂದು ಕೈಗಾರಿಕೆಯೂ ಇಲ್ಲದೆ ಇರತಕ್ಕ ತುಮಕೂರು ಜಿಲ್ಲೆಯನ್ನು ಬಿಟ್ಟಿರುವುದಕ್ಕೆ ಕಾರಣವೇನು?

ಶ್ರೀ ಮಾಲಿ ಮರಿಯಪ್ಪ.—ಬಹುಶಃ ಮೂರನೆಯ ಯೋಜನೆಯಲ್ಲಿ ಅದನ್ನು ಭರ್ತಿ ಮಾಡಬಹುದು.

Sri K. S. SURYANARAYANA RAO.—The Minister was pleased to say that the industrial estate at Mysore was complete. Is it the intention of Government that the industrial estate would be complete by the completion

of the building or after the setting up of industry there?

Smt. LEELAVATHI VENKATESH MAGADI.—Construction should first be completed.

Sri K. S. SURYANARAYANA RAO.—When was the estate sanctioned and what is the progress so far made?

Sri MALI MARIAPPA.—In 57-58 it was started and it is complete only about a fortnight or a month back.

ಶ್ರೀ ಎಫ್. ಜಿ. ನರಸಿಂಹೇಗೌಡ.—ಎರಡನೆಯ ಯೋಜನೆಯಲ್ಲಿ ಇಂಡಸ್ಟ್ರಿಯಲ್ ಎಸ್ಟೇಟ್‌ನ್ನು ಹಾಸನ ದಲ್ಲ ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರಾ?

Smt. LEELAVATHI VENKATESH MAGADI.—We will consider this proposal.

ಶ್ರೀ ಕೆ. ವಿ. ರೇವಣ್ಣನಿದ್ದಪ್ಪ.—ಎರಡನೆಯ ಪಂಚ ವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಮೂರು ವರ್ಷ ಮುಗಿಯುತ್ತ ಬಂದರೂ ಇನ್ನೂ ಯೋಜಿಸುತ್ತೇವೆ, ಆರೋ ಚಿಸುತ್ತೇವೆ ಎಂದರೆ ಇವುಗಳನ್ನು ಪೂರೈಸುವುದು ಯಾವಾಗ, ಇವನ್ನೆಲ್ಲ ಯಾವಾಗ ಕಾರ್ಯಗತಮಾಡುತ್ತೀರಿ?

ಶ್ರೀಮತಿ ಲೀಲಾವತಿ ವೆಂಕಟೇಶ್ ಮಾಗಡಿ.—ಇನ್ನೂ ಎರಡೂವರೆ ವರ್ಷವಿದೆ. ಅಷ್ಟರೊಳಗೆ ಪೂರೈಸುವುದಕ್ಕೆ ಪ್ರಯತ್ನಮಾಡುತ್ತೇವೆ.

Sri Y. VEERAPPA.—Before contemplating the starting of the industrial estate, did not Government think of all necessary preliminaries and ingredients?

Sri MALI MARIAPPA.—I want to know what are the necessary preliminaries which my friend contemplates?

Sri Y. VEERAPPA.—He just now said that there were no other facilities. Did not the Government think about the availability or otherwise of all the necessary facilities before starting these estates? What are the formalities which have yet to be gone through?

Sri MALI MARIAPPA.—I have already said that the preliminaries are, the acquisition of the land, getting the water facility and getting other common service facilities and so on. Only when these things are there, the industrial estate can begin to function and be complete.

Sri K. PUTTASWAMY.—With reference to these 8 places, in how many of them the Government have started construction and how many are yet on paper?

Smt. LEELAVATHI VENKATESH MAGADI.—In Mysore we have

completed and it will start functioning shortly. In Bangalore and Hubli, construction of building will be completed in three-four months. In Harihar and Belgaum construction of buildings will be started. In Ramana-garam tenders have been accepted and land has been acquired. We will finalise it early. In Gulbarga and Mangalore lands have been acquired and construction is held up for want of contractors. We will finalise as soon as the contractors give tenders.

Sri G. VENKATAI GOWDA.—May I know the main factors which prompt the Government to give priorities to these places only?

ಶ್ರೀಮತಿ ಲೀಲಾವತಿ ವೆಂಕಟೇಶ್ ಮಾಗಡಿ.—ಪ್ರಯಾಸಿ ಪ್ರಶ್ನೆಯಲ್ಲ. ಮೊದಲು ಯಾವ ಯಾವ ಸ್ಥಳಗಳನ್ನು ಆರಿಸಲಾಗಿತ್ತೋ ಎಷ್ಟು ಎಸ್ಟೇಟ್‌ಗಳು ಮಂಜೂರಾಗಿದ್ದು ಪೂರೈ ಅವುಗಳನ್ನು ರಚಿಸುತ್ತಿದ್ದೇವೆ.

Sri G. VENKATAI GOWDA.—What is the basis on which the Government make the selection?

Sri MALI MARIAPPA.—It was made long back, and the basis is the availability of industrialists and the location of industries.

Sri B. T. MURNAL.—Have the Government received any representation from Bijapur District?

Sri B. D. JATTI.—It is not a question of representation itself. All the eight industries will have to be completed at the end of the Second Five-Year Plan and others to be taken up in the Third Five-Year Plan.

Dr. R. NAGAN GOWDA.—Is it the intention of the Government to start these estates where there is already an industrial estate or start them in places where there is a likelihood of industries being started?

Sri B. D. JATTI.—Wherever there are industries, and, if you want to start small scale industries, it will be convenient and useful to start these estates, where raw materials are available. That aspect will be taken into consideration.

ಶ್ರೀ ಎಚ್. ವಿ. ವೀರೇಗೌಡ.—ಈಗ ಕೈಗಾರಿಕಾ ಕೇಂದ್ರಗಳನ್ನು ಸ್ಥಾಪನೆಮಾಡತಕ್ಕ ವಿಷಯದಲ್ಲಿ ಎಂಟು ಕಡೆ ಸ್ಥಾಪಿಸಲು ಮಂಜೂರಾಗಿದೆ ಎಂಬ ಹೇಳಿಕೆಯು, ಯಾವ ಯಾವ ಕೇಂದ್ರಗಳಲ್ಲಿ ಯಾವ ಯಾವ ಕೈಗಾರಿಕೆಗಳನ್ನು ಪ್ರಾರಂಭಿಸುತ್ತೀರಿ.

ಅಧ್ಯಕ್ಷರು.—ಇನ್ನೂ ಆಗಿಲ್ಲವೆಂದು ಉತ್ತರ ಹೇಳಿದರು.

Sri B. VAIKUNTA BALIGA.—Is it the intention or the idea of the Government that, in starting an industrial estate, building is to be completed and thereafter the nature of the industries or the articles to be manufactured is to be considered, or while the plan is being prepared, would you have definitely in view the industries which are sought to be introduced or after the construction of the building is over, you think of adjustment of an industry to it?

Sri MALI MARIAPPA.—I have already replied. Ideas also will be formulated as we progress because there was not much progress there.

Sri C. K. RAJAI AH SETTY.—May I know why they are delaying the establishment of industrial estates when the Madras Government and other Governments are already keeping their industrial estates in operation?

Sri MALI MARIAPPA.—I think this year there will be considerable progress.

Sri A. R. BADRINARAYAN.—Have the Government made a survey of the places suitable for the starting of industrial estates?

ಶ್ರೀ ಮಾಲಿ ಮರಿಯಪ್ಪ.—ಹಿಂದೆ ಎರಡನೆಯ ಪಂಚವರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ ಸೇರಿಸುವಾಗ ಎಲ್ಲ ವಿಚಾರಗಳನ್ನೂ ಗಮನಕ್ಕೆ ತೆಗೆದುಕೊಂಡು ಎಂಟು ಜಾಗಗಳನ್ನು ಗೊತ್ತುಮಾಡಿದೆ.

Sri A. R. BADRINARAYAN.—I want to know whether Government have before them figures as to which places are suitable for starting industrial estates?

Sri MALI MARIAPPA.—I do not know what my learned friend really means. With reference to the starting or the location of industrial estates, certain things have to be taken into consideration. I say that all these things have been taken into consideration. They are spread over the entire State of Mysore to help the industries and also to utilise the raw materials available.

Sri A. R. BADRINARAYAN.—There have been some complaints that some places have been preferred and that some places have not been given an opportunity. This is my question.

Sri MALI MARIAPPA.—It is not very correct to say that in respect of certain places preference has been

shown so far as the industrial estates are concerned. The only guiding factor has been to locate the industries all over the Mysore State and to help the industries and also to consume the raw materials locally available.

Sri G. DUGGAPPA.—The Government have said that they have sanctioned eight industrial estates and again they say that in addition to these, the question of starting another industrial estate is under consideration. May I ask the Government whether they have thought of any definite number of industrial estates to be started during the Second Five-Year Plan? What is the total number of industrial estates they have in view during the Second Five-Year Plan period?

Sri MALI MARIAPPA.—The number of industrial estates was definitely fixed at eight at the beginning of the Second Five-Year Plan. As Hon'ble Members are aware, Dandeli is fast developing with the industries and there is the possibility of raw materials being available in sufficient quantity and so it is a constructive idea to start another industrial estate there because it will be of great utility to the industry.

Sri G. B. SHANKAR RAO.—The Chief Minister was pleased to say that the question of starting industrial estates in other districts would taken up in the Third-Year plan period. May I know whether any industrial estate would be started in the other places of the same district?

Sri B. D. JATTI.—Government of Mysore have appointed one Council which will go round the entire Mysore State and find out suitable places and in such places only we start industrial estates.

ಶ್ರೀ ಎಂ. ಎಂ. ಪಾಟೀಲ್.—ಈಗ ಇಂಧನೈಕ್ಯ ಕೆಲವೇ ಪ್ರದೇಶಗಳಲ್ಲಿ ಕೇಂದ್ರೀಕೃತವಾಗಿರುವುದು ಸರಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಉಳಿದ ಕಡೆಗಳಲ್ಲಿ ಎತ್ತಿಲ್ಲ ಸ್ಥಾಪಿಸುವುದು ಎಂಬುದರ ಬಗ್ಗೆ ಸರ್ವೇಮಾಡಿ ವಿಚಾರಮಾಡಲಾಗುತ್ತಿದೆ.

ಶ್ರೀ ಇ. ನಾರಾಯಣಗೌಡ.—ಕೋಲಾರದ ಚಿನ್ನದಗಣಿ ಪ್ರದೇಶದಲ್ಲಿ ನಿರುದ್ಯೋಗ ಹೆಚ್ಚಾಗುವುದರಿಂದ ಅಲ್ಲಿ ಯಾವುದಾದರೂ ಒಂದು ಇಂಧನೈಕ್ಯ ತೆರೆಯುವುದಕ್ಕಾಗುವುದಿಲ್ಲವೇ?

Mr. SPEAKER.—It is a suggestion for action.

ಶ್ರೀ ಜಿ. ಶಿವಪ್ಪ.—ಕರಿತಿಯಾದ ಇಂಡಸ್ಟ್ರಿಯಲ್ ಎಸ್ಟೇಟುಗಳನ್ನು ಮಾಡಬೇಕಾದ ಒಂದು ತತ್ತ್ವದಲ್ಲಿ, ಎಲ್ಲ ಹೆಚ್ಚಾಗಿ ಇಂಡಸ್ಟ್ರಿಗಳು ಡೆವಲಪ್ ಆಗಿವೆಯೋ ಅಲ್ಲಿಯೇ ಮತ್ತೊಂದನ್ನು ಸ್ಥಾಪನೆಮಾಡಬೇಕು ಎನ್ನುವ ಒಂದು ತತ್ತ್ವವಿದೆಯೋ ?

ಶ್ರೀ ಮಾಲ ಮರಿಯಪ್ಪ.—ಈ ಬಗ್ಗೆ ಮೊದಲೇ ಸಾಕಷ್ಟು ವಿವರಗಳನ್ನು ಹೇಳಿದ್ದೇನೆ. ಈ ಕರಿತಿಯಾದ ಇಂಡಸ್ಟ್ರಿಯಲ್ ಎಸ್ಟೇಟುಗಳ ವಿಷಯದಲ್ಲಿ ಮುಖ್ಯವಾಗಿ ಎರಡು ತತ್ತ್ವಗಳು ಇವೆ. ಇಂಡಸ್ಟ್ರಿಯನ್ನು ತೆರೆಯುವ ಜಾಗಗಳಲ್ಲಿ ಇಂಡಸ್ಟ್ರಿಯಲ್ ಮೈಂಡ್‌ಡ್ ಆದ ಜನಗಳಿರಬೇಕು ; ಮತ್ತು ಸಾಕಷ್ಟು ರಾ ಮೆಟೀರಿಯಲ್‌ಗಳು ಒದಗುವಂತಹ ಸನ್ನಿವೇಶಗಳಿರಬೇಕು.

Sri A. R. KARISIDDAPPA.—Is it not a fact that the main objective of starting industrial estates is to relieve pressure on industrial cities ?

Sri B. D. JATTI.—That is one of the objectives.

Sri A. R. KARISIDDAPPA.—Then may I know how Bangalore is selected as one of the centres for starting industrial estates ?

Sri B. D. JATTI.—As I stated, one of the objectives is to provide common facilities to a centre.

Starting of Government Girls' High School at Arsikere.

*Q.—29. Sri A. R. KARISIDDAPPA (Arsikere).—

Will the Government be pleased to state:—

(a) whether they have received representations for starting a Government Girls' High School at Arsikere Town ;

(b) whether they propose to sanction the same ?

A.—Sri ANNA RAO GANAMUKHI (Minister for Education).—

(a) Yes.

(b) The question is deferred for consideration during 1959-60.

Sri A. R. KARISIDDAPPA.—May I know whether it is the intention of Government to encourage it as a private enterprise ?

Sri ANNA RAO GANAMUKHI.—Yes.

Special Buses run by Road Transport Department during Dasara Festival.

*Q.—74. Sri E. NARAYANA GOWDA (Bangarpet).—

Will the Government be pleased to state:—

(a) the number of special buses run by the Road Transport Department each day during the celebration of Dasara Festival at Mysore from 1953 to 1958 ;

(b) the annual profit and loss during the above period on account of running such buses ;

(c) the amount of expenditure incurred for the special staff, if any, appointed for that purpose ?

A.—Sri B. D. JATTI (Chief Minister).—

(a) The number of special buses run on each day during the Dasara Festival, 1958 is given below. Information relating to the previous years is not available, as separate records have not been maintained.

(b) Rs. 47,779.31 profit in the year 1958.

(c) The expenditure incurred on account of extra staff recruited in the year 1958 is Rs. 6,738.53.

Number of special buses on Road each day during Dasara 1958.
